Taxman, Pollock, Murray & Bekkerman, LLC

Taxman, Pollock, Murray & Bekkerman, LLC, was proudly founded by four very successful, established Plaintiff personal injury lawyers. Together we bring over 75 years of experience in handling medical malpractice, nursing home, transportation, product liability, premises liability, and work place injury cases. Taxman, Pollock, Murray & Bekkerman, LLC, is a synergy of professionalism and talent we believe is the best possible team and infrastructure to most effectively represent our clients and the record setting results speak for themselves. We have collectively achieved over \$360 Million in settlements and jury verdicts. We have tried more than 100 cases. Our purpose is to achieve the greatest possible remedy for consumers, patients and workers who have been harmed by neglect. Our unified goal is to provide the highest level of professional service.

The founding partners have a unique relationship. Not only are they friends, with a tremendous amount of respect for

each other, they have worked, trained and collaborated together throughout their professional careers. Taxman, Pollock, Murray & Bekkerman, LLC marks a return to where they began. Over the last 30 years Marc A. Taxman has built an excellent reputation in the legal community for handling significant cases. Brad N. Pollock has emerged as a leader handling significant cases all over the State and Country. Sean P. Murray is a respected and aggressive litigator who has achieved many record setting verdicts and settlements. Gerald J. Bekkerman has excelled in making and maintaining relationships while at the same time zealously representing his clients in multi-million dollar cases.

In less than 2 years Taxman, Pollock, Murray & Bekkerman, LLC has grown to 15 lawyers, resolved \$60 Million in cases, added a Workers' Compensation Department (headed by partner, James B. Hardy), hired a full-time Critical Care Nurse and has a dynamic support staff of 27 paralegals, law clerks and managers.

The firm has a family vibe created to remove the "toxicity" found in many law offices. It is upon this foundation of talent, trust, friendship and confidence the firm was built. The future is bright and referrals are welcome.
